Spouse's eligibility to receive contributions

The receiving spouse must be **eligible** to receive a spouse contribution before we can process this contribution to their account.

The spouse receiving the contribution needs to complete this declaration, confirming their eligibility.

- I am under age 67
- I am at least 67, but under 75 and I meet the work test (details below)
- I am at least 67, but under 75 and I am eligible for the work test exemption (details below)

The work test

If you are aged at least 67, but under age 75, you must work at least 40 hours in 30 consecutive days in a financial year to be eligible to make contributions to your super.

The work test exemption

If your total super balance (in all of your super accounts, including ElectricSuper) at last 30 June was under \$300,000, you are exempt from the work test for 12 months after the end of the financial year you last met the work test in.
